Synopsis

It's the tale of a young boy's trials and tribulations as he rises to become the Living Legend in Kathakali. It traces the life of an artiste, his dreams and aspirations, of his disappointments and his self doubts, his growing confidence and his achievements. It's a documentary of the power and passion of classical dance at its best. Of a man with a poet's face and amazing grace who came to rule the stage of Kathakali in the world.
