Kaavya Sanje, an evening of poetry is a Bengaluru based community poetry engagement initiated by poet Mamta Sagar in 2013. Poetry is a compelling tool for Kaavya Sanje to connect with communities and voice socio-cultural concerns. An eclectic range of poems are written, composed, translated, presented and performed here. Poets find their voices and poems find their audiences under Kaavya Sanje curations.

"Articulating Freedom, An Evening of Poetry and Performance", is an event marking 78 years of freedom in India. This multilingual poetry performance by Kaavya Sanje will showcase poems around Indian Nationalism and the concept of freedom dating from the 1920's by poets from selected Indian languages. The event is designed by poet Mamata Sagar, towards remembering and celebrating the efforts of Indian poets who contributed to the freedom movement and poetry as an efficient tool to voice the dissent. Participating poets will be presenting one of their poems.
