Set Your Stories!

Listening to stories and learning how
settings are used to create narratives.
Writing your own setting specific stories using the space
of the NGMA gallery as inspiration!

Creating **Time Capsules** to share their experiences
of the day and writing about their hopes, dreams and
ideas as they spend time in this iconic monument.

Age group: 9 years and above
2pm to 4pm

Drawing it like it is!

The little participants explore the interior
and exterior of the NGMA, they participate
in a 'reportage illustration' workshop- creating
a handmade visual of the structure! capturing the space,
its feel and mood and creating a visual narrative around it!
These works will be displayed in the
NGMA gallery space!

Age group: 10 years and above
