cordially invites you to the second session of the

# online Art appreciation series by Yamini Telkar

**Saturday, 28th June 2025 | 5:00 PM**

Delve into the creative world of **Rabindranath Tagore** (7 May 1861 – 7 Aug 1941) – a Nobel laureate whose visual art is as profound as his poetry.

This session explores Tagore's unique visual language, his emotional depth, and the powerful abstraction that defined his works in later life.

Join us online as we decode the mysticism, symbolism, and spontaneity in Tagore's paintings – part of NGMA's treasured collection.

The online talk will be  
live-streamed across all our  
official social media platforms
