I AM is a multi-dimensional, multi-faceted art form that brings together Seema's art and her poetry with dance, and music. It combines the subtle evolution and the realization of her experiences and people in her life that have taken a visual form as art. The medium whether paintings, sculpture, drawings, installations, or performance, 'experience' or 'emotion' all wish to manifest themselves.

"Stance Dance Studio", adds the dimension of music, (Sahil Vasudev sound composer and pianist) creating a soulful track to accompany the performance.

About Seema Kohli: Seema Kohli's practice spans over three decades, and embraces a variety of mediums including paintings, sculpture, installation and films. Her work is primarily a celebration of the female form and energy, the source of the twin forces of creation and destruction. Based in Delhi, she has participated in prestigious art fairs including Art Basel 2009, ARCO Spain 2010, Shanghai Art Fair 2011. She received the Gold Award for her video 'Swayamsiddha...' at the Florence Biennale, 2009, and the Young FICCI Ladies Organisation Women Achiever's Award in 2010 among others.

The program will be followed by refreshments at the cafeteria, NGMA
